

Speech & Language Therapy Conversation Partner

Volunteer Scheme

We are looking for **volunteers** to support people with **communication disorders** through meaningful conversations for a minimum of 1 hour per week. There are opportunities to volunteer either at the **RD&E hospital** or in the **community** (Exeter, Mid Devon or East Devon). You will be provided with **training** and **on-going support**.

"I've definitely grown as a person from this scheme"

"I'm more confident with speech and with family"
