

## NON-NHS SERVICES

Please note that not all services at the practice are available under the NHS.

When patients request a non-NHS service a private fee will be payable.

**NHS Work will take priority.**

Please allow up to one month for the completion of non-NHS work

### Methods of payment

Payment needs to be made to the surgery **before** the service provision can commence.

We accept the **exact** fee in cash as we do not hold change on site .

We also accept payment via BACS.

Please contact the surgery for payment details

## Medical records

### **Access to computerised records**

Online Services include:

- Requesting Repeat Prescriptions
- Summary Care Record
- Medical Information
- Appointment Booking

You can sign up via the NHS App or at the surgery.

Photo Identification will be required.

### **Copies of Medical Records**

Please contact Reception for a Subject Access Request (SAR) Form.

Please allow one month from when we receive your completed form.

It helps the GPs if you can be specific as to the information you require.

Often a summary can be provided which significantly reduces the time it takes to process your request.

Records will be made **available for collection** from the surgery or where possible, securely emailed.

Photo Identification will be required
